PETITION PURSUANT TO 37 C.F.R. § 1.78(a)(3)

Honorable Director of Patents and Trademarks
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In accordance with the provisions of 37 C.F.R. § 1.78(a)(3), this petition is being provided for rectification of an inadvertent error in the claim for domestic priority for this application.

When this application as filed, in an amendment accompanying the application, a claim for domestic priority was made. However, due to what appears to be a typographical error, that claim for domestic priority had an improper number for the underlying provisional application. Instead of the provisional application being identified as 60/306,354, it was identified as 60/630,354. That was not discovered until a response was filed in this application on December 21, 2010, swearing back of a reference cited by the Examiner.

It is therefore requested that this petition be granted. In accordance with 37 C.F.R. § 1.78(a)(3) the following is provided:

- (i) The proper reference required by 35 U.S.C. § 120, which is the amendment which accompanies this petition.

- (ii) The surcharge of \$1,410.00 pursuant to 37 C.F.R. § 1.17(t).
 - (iii) The entire delay between the date that the claim was due under 37 C.F.R. § 1.78(a)(2)(ii) and the date that the claim is filed herewith was unintentional.
- Granting of this petition is therefore requested.
